

Dear Coach,

Thank you for entering XC'23 (the Pre-National XC meet) to be conducted at Panorama Farms on Saturday October 14, 2023. Attached you will find the names of teams that have been entered and confirmed participation in the XC'23 meet on October 14. Information regarding start times and boxes will be shared after September 23.

At this time, there will be two scored races per gender (A and B race per gender). You will be allowed to compete a maximum of 9 student-athletes per gender which will be declared via Direct Athletics by October 9 at 5:00pm EST. There will be approximately 24 teams per gender in the A race. We will finalize the teams that will compete in the A or B races after September 24. Those designations will be determined based upon 2022 regional/national results and will be updated based upon the 2023 USTFCCCA 's Coaches' poll. Start time will begin at 8:45am and the event will conclude at 11:15am. Teams will be permitted to procure two free parking passes per gender for official party van or bus parking at Panorama Farms. Only members of your official party with an official parking pass will be allowed vehicle access to Panorama Farms. There will be NO exceptions.

We look forward to welcoming you all to Charlottesville and if you have any questions reach out.
